

Hounslow Education Partnership Subject Networks

EXAMPLE - Online resources - based on Science

Subject: ****Science****

Name of network lead and email address: ****Joan Smith* j.smith@HEP.co.uk***

Date last updated: ****May 2021****

Online resource web address	Year group/key stage aimed at	Brief description
https://www.chemguide.co.uk/	KS5	Old school, but great detail for boosting subject knowledge, both for less experienced A level teachers but also for students.
https://edu.rsc.org/resources/secondary	KS3/4/5	Variety of worksheets (plenty using new/current contexts), practical videos and simulations. You need to register but this is free.
