AUTUMN WATERCOLOUR SKETCHES

Working from observation, learn to control your pencil and use watercolour paints to show tone, form and texture. Produce carefully observed studies of autumn leaves or plants. These are skills your whole class can learn.

We will begin with a mark making warm up which will give your students the visual vocabulary and confidence to record what they see.

This session will take place on
Wednesday, 24h November 2021
From 4:00 - 5:30pm

Face-to-face
at Lampton School,
Lampton Avenue, Hounslow TW3 4EP
