Dear Colleagues

Please see the above schedule of dates and times for the PEACE project training sessions, beginning 1st September 2021 running through to the 28th March 2022.

If you are keen to attend any of the sessions please reply with an email to Peace@hounslow.gov.uk stating the name of the session and the date on which you would like to attend.

If you are booking sessions for more than just yourself, which is also fine, please include the names of the attendees with the information as outlined above.

Once confirmed, we will send out MS Teams invites to all attendees prior to each training session, but please do make a note of the date and time in your own calendars until that arrives. We also hope to be able to deliver some in-person sessions in the new year!

Once again, thank you all for supporting the PEACE project, we look forward to providing this training and development work throughout the last leg of our journey.

The PEACE Team
