# Hounslow Young Researchers 2021 Role Description

## Profile

Hounslow Young Researchers are a group of young people who are passionate about getting young people's voices heard. They are aged 13-19 (up to 25 if you are a Care Leaver or have a special educational need and / or disability) and live or work or study in Hounslow

Their role lasts for 3 months. They are trained and supported to develop a consultation for their peers. The aim of this consultation is to find out what young people in Hounslow think about the emotional and mental wellbeing support available to them from support services.

As a team, they will work together to ask the tough questions and find the answers! Finally, coming together to work through a team "systems mapping" challenge!

## What's in it for you?
